The Privacy Rule generally requires healthcare providers to take reasonable steps to limits the use or disclosure of, and requests for PHI to the minimum necessary to accomplish the intended purpose, These provisions do not apply to uses or disclosures made pursuant to an authorization requested by the individual.

Healthcare entities must keep records of PHI (Protected Health Information) disclosures. Information provided below, if completed properly, will constitute an adequate record.

Note: Uses and disclosures for TPO (Treatment Payment Operations) may be permitted without prior consent in an emergency.

I give my permission for Family Foot Health Center, P.C. to release records to other doctors, insurance companies, disability correspondence and labs pertinent to my medical treatment.
